

DOC'S INDUSTRIES, INC.

LEED Information
I-LAG™ Brand Eye Lag Screws

To whom it may concern:

I-LAG™ brand eye lag screws are made from 100% new material to achieve the high quality and precise hardness requirements for our ICC ESR listing. The fasteners are RoHS compliant and are made in an eco-friendly factory. Doc's I-LAG™ brand screws are manufactured of carbon steel.

Fastener Information

Table with 5 columns: Item No., Manufacturer, % Total Recycled Content, RoHS Compliant, Manufacturing Origin. Rows include items 750SD, 750SDC, 175SD, 150PP, and 150SP.
